

10 Of The Most Luxurious Villas You Can Rent In Southeast Asia

JULY 16, 2018 | BY [COCO MARETT](#) / Hong Kong Tatler

As more holiday villas offer the same facilities and services as five-star hotels, it's become harder to narrow it down to which villas actually deliver the luxury experience we crave while on vacation.

5 The Aquila, Phuket, Thailand

Best for : Nature lovers and adventure seekers who still want a touch of luxe

Sleeps : Up to 14 guests, seven bedrooms

This sprawling villa in Kamala is located in a private estate on Millionaire's Mile, with not a single neighbour in sight. And with direct access to a coral reef in the cove in front of the villa, the Andaman Sea becomes your very own private playground.

All seven-bedrooms include en-suite bathrooms and balconies that open to views of the rugged coastline. The property also features a spa, exercise rooms, a wet-bar, pool tables, sound system and a library.

Hole up in this exceptionally luxurious hideaway for a few days, where anything you need can be taken care of by The Aquila's dedicated team of staff, or venture out to nearby Kamala Beach which boasts some of Phuket's newest sophisticated restaurants and beach clubs.
