This is as stunning as infinity pools come. Home to the private and tropical ocean-front villa located in Phuket's iconic millionaire's mile, when you perch your elbows upon the pool's infinity edge, time stands still as all you can see is the azure sea and sky, which make for a postcard-perfect moment. Look down and you can see the villa's gardens, flowers and the cliff's path that leads down to the sea. But the pool's so good you almost can't be bothered to venture anywhere else. True story!
